JMP Consultants (Traffic).....	£2149.61
Total Expenditure	£18,087.01

The above means we have £7712.99 of funds remaining. The school has not yet indicated what it intends to do next but has told us that it is once again considering the potential for other sites as well as the grounds of the Camden planning refusal. Under planning law it has until February to appeal so it has plenty of time yet.

As we have stated previously, the intention is to retain the additional funds until it is clear what the next steps will be. If the school appeals then we will need to appoint experts and also consider hiring legal representation and will need all the remaining funds and more. If the funds are not needed then, as we have stated before, the intention is to return, pro rata, any surplus funds to those that gave £1000 or more to the campaign.

As always if there are any questions please drop a note round to number 8 and thanks again for all the support.
